EXPERIENCE

Beaverton Cabinet & Stone **October 2024 – Present**
Marketing and Operations Director Beaverton, OR

- Rebuilt the company website (beavertoncabinets.com) and finetuned SEO, GEO, and AIO, resulting in a 2,600% increase in web traffic.
- Implemented a multi-channel marketing strategy across **Google Ads, Bing Ads, Reddit Ads, Craigslist, OfferUp, Facebook Marketplace, SEO, and local business listings**, increasing in-store foot traffic by 300%, tripling MOM revenue.
- Launched an online cabinet design and layout tool that enables customers to create and visualize their own projects, reducing design bottlenecks, minimizing revisions, and improving overall sales efficiency.
- Drive market expansion into government and commercial sectors via COBID certification, while growing strategic partnerships through major industry networks (BOMA, NARI, NKBA, KBIS).
- Designed a custom AI executive advisory system built on an agentic MCP server architecture; integrated sentiment analysis to evaluate real-time market trends and guide strategic decision-making across expansion initiatives.

Papa Healthcare **March 2023 – September 2024**
Senior Growth Marketing Manager Remote, CA

- Built dashboards that enabled key stakeholders to view acquisition trends and metrics easily, and reported on monthly financial snapshots, analyzing performance against budgets and spending trends to identify optimization opportunities.
- **Reduced CPA by 75-88% (from $120 to $15-$30)** across Facebook, Bing, Google, and Appcast channels and improved CPL on Appcast by 75% (from $20 to $5) through strategic testing and optimization.
- Streamlined reporting across multiple markets and locations by automating budget updates, creating more bandwidth to take on additional responsibilities, and leveraging Google Sheets to become more strategic and data-driven in campaign management.
- Guided engineers and the SEM team to **improve organic rankings on relevant pages by 40%**, while handling all creative, copy, analytics, and setup as a one-person acquisition team across new channels and audiences.

Varo Bank / Varo Money **October 2021 – August 2022**
User Acquisition Manager San Francisco, CA

- Designed multi-channel paid media setup to streamline continuous learning and optimization.
- **Managed three marketing agencies**, negotiated contracts, and orchestrated creative strategy and workflow across all teams.
- Led the creative strategy with the organic team, directed creative requests, and designed a creative tagging process to track performance.
- Narrowed down to the top-performing campaign setup and audience through strategic campaign structure, budget allocation, and creative/copy experimentation on Facebook, **lowering CAC by 60-85% compared to the previous setup**.
- Owned over **$3.6M+ per month in ad budgets** for Facebook, Snapchat, AppLovin ', Feedmob, and other mobile display platforms**.**

GoPuff / GoBrands, Inc. **January 2020 – April 2021**
Growth Marketing Manager San Francisco, CA

- Designed marketing and operations teams' Looker dashboards to track best-selling products, creative performance, and new users WOW across paid social and DSP channels, enabling efficient campaign optimization and performance research.
- Optimized campaign performance through relentless A/B testing and experimentation on Facebook and TikTok Ads, narrowing down to top-performing campaign elements, creatives, and influencer videos (**two videos went viral with 9.3M and 5.8M views**).
- Collaborated with **75+ influencers** to explore UGC in paid campaigns and brand-sponsored posts on Facebook and TikTok.
- Managed partnerships with **10+ publishers**, continuously testing new platforms to identify the most effective lead-generation channels.
- Oversaw **$2M+ per month in testing budget** across Facebook, Twitter, and TikTok, lowering CPA by 35-50%.
- **Mentored and developed an administrative team member into a marketing support role,** providing day-to-day direction across influencer outreach, prospect vetting, and marketing analytics during SF office transition from fully in-person to fully remote.

COMPLETED SIDE PROJECTS

Senior Marketing Consultant (Part-Time / Side Consulting)

- **Goodwrx**: **100% hit rate on event staffing acquisition targets** from paid social, search, and job posting platforms; managed ad budgets dynamically; overhauled Goodwrx's underperforming landing page into an active lead generation asset.
- **Ship Veho**: Owned and produced the full creative suite while establishing a Meta upload workflow, eliminating production bottlenecks and accelerating campaign ideation to deployment.
